epic Charter Schools

Additional Orientation Information

Enrollment Requirements:

Requirments for enrollment may be found on the school's website.

Daily Schedule and Work Expectations:

Pacing and progress requirements are outlined in the orientation video within the ILP and additional information is available online in the Student & Parent Handbook.

School Policies, Manuals, Resources

for the Student and Family:

A manual containing school policies is the Student & Parent Handbook. More school resources are available on the school website at EpicCharterSchools.org.

Communication Streams:

EPIC uses all communication platforms. This includes phone, SMS messaging, email, video conferencing, social media, as well as face-to-face meetings with students and families. We also publish a monthly newsletter for families that will provide a lot of information about academics, non academic opportunities and school events. It is important to never de-subscribe to official school messaging. Make sure that your email, phone number and physical address is current in Parent Portal so that school information can reach you. If you need help updating your information, your teacher can help you!

Academic Expectations:

Expectations are outlined in the orientation videos as well as the Student & Parent Handbook.

Assessment Requirements:

Assessments required of EPIC students are outlined in the orientation videos as well as the Student & Parent Handbook.

Social Expectations

EPIC students are expected to conduct themselves according to the guidelines in the Student & Parent Handbook. Students are also expected to regularly engage and meet with their teacher face to face.

Technology Management:

EPIC students have access to dedicated technology for learning. Please see the expectations for care and access to support in the Student & Parent Handbook.

Academic Program Management:

EPIC teachers are required to provide parents with login credentials for each curriculum, both core and supplemental. Parents should make regular use of this access to maintain an understanding of their student's academic progress.

Core Site Login: _____

Student Support Programs and Services:

The Student Services Department of EPIC has much to offer families. This department is home to our Graduate Support Management employees who ensure students are enrolled in the right courses in order to graduate. Student Services also provides opportunities to students at risk of dropping out, students that English is not their native language, students interested in Career Tech or concurrent enrollment, and this department also facilitates EPIC student clubs. EPIC families have access to behavioral counseling services. Learn more on the school website by clicking here.

Programs Specific to the School:

The following programs are specific to EPIC. Learn more about each by clicking the program name; EPIC One-On-One Learning Fund or EPIC Blended Learning Centers.
